## ISSUE:

Utakanoor village comes under Utakanoor gram panchayat which is located about 30.5kms from the Manvi Taluk . The second Anganwadi centre in the village has been running in tin shed from 5 to 6 years. During JMS Citizen's Rights campaign in the Utakanoor village, the community women karyakartha and anganwadi teacher highlighted this issue, that during summer there will be scorching heat in Raichur District. Being in Tin Shed it causes more heat for children and during rainy season the water enters inside the anganwadi centre and there is no safety for children in the centre and causes difficulty for children to sit and play. Also there were rats entering into the shed and used to destroy and consume the ration . Due to which there were scarcity of ration for children and pregnant mothers.

## JMS INTERVENTION:

While conducting community level public dialogue as a part of JMS Citizen's rights campaign , JMS karyakartha submitted memorandum to the CEO of Raichur district demanding to resolve the issue. And followed up with PDR Raichur untill they ordered respective builder to construct building for second anganwadi centre in Utakanoor village. Finally it happened in the year 2020 after regular follow up.

## IMPACT:

Due to the JMS regular intervention on this issue, they have initiated the construction work in the year 2019 and finally built the anganwadi centre in 2020. The centre has separate store room, study hall and toilet facility. They painted colorfully with the pictures of birds and animals. Now the Children attend the school regularly to this Anganwadi centre in Utakanoor village.
